

Elcold is introducing a new range of elegantly curved Display Freezers, perfect for Supermarkets. The GSM freezers have an elegant and eye-catching design and with the very large display area the customers have a perfect view to the products.

The freezers can be set up in a back-to-back solution, combined as an Island or used as "Stand alone" freezers.

Furthermore, the GSM units are also available with automatic defrosting and in cooler versions.

GSM 200

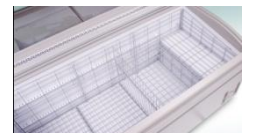

GSM 197

Label/ Price Sign

Divider system is available

Supermarket Freezer

Shelves solutions are also available

Digital controller as an option
